

## CRAWLEY GLUTEN FREE GROUP NEWSLETTER NO 4 MAY 2007

1. Our raffle on the 21<sup>st</sup> April raised a good sum which was banked on the 23<sup>rd</sup> April, our thanks go again to Dodie for organising the raffle and of course to you members who bought the tickets.
2. The CGFG voted unanimously on the 21<sup>st</sup> April, not to proceed with the application to the Crawley Council, for a small grant, or to apply to become an Association, we have informed the Crawley Voluntary Association of this vote and the decision of you all.
3. We thanked the Gluten Free Direct Company for their savoury tasty samples and luxury deserts and thanks to Nancy Vince and Dodie for setting it all up.
4. As at this meeting we have collected, as agreed, a £5 donation per family to cover our Insurance costs, this will all be banked and will appear on the Lloyds TSB statement.
5. As also agreed a letter was sent to Sarah Sleet, CEO of Coeliac UK. As a result we had a long phone call from Holly Ellicott, who is the new editor of Crossed Grain. She would make no promises about mentioning our Group in the magazine, as she told me, all charity groups must report to Coeliac UK and have a President, Committee etc.
6. Copies of our Aims & Objectives are here for you to distribute to Doctors Surgeries and local Phamarcies.
7. A copy of the latest Orgran Australian Coeliac Magazine is here and you can contact their UK representative to receive your own copies.
